## SUMMARY

An exceptional grade 12 student at Galt Collegiate Institute with over two years of work/volunteer experience. Currently a Recreational Worker at Greenway Chaplin and a high achieving academic student managing numerous school clubs. I have taken Harvard's CS50 Python course, and Waterloo's University mathematics and coding competitions to help me aspire into Engineering.

## WORK EXPERIENCE

### Greenway-Chaplin | *Camp Counsellor*

**June 2023 - August 2023**

**June 2024 - August 2024**

- Scheduled and facilitated daily plans to provides high-quality educational and recreational opportunities and enjoyable experiences for camp participants
- Assisted in maintaining accurate program records, including incident reports, behaviour reports, and daily attendance to ensure program security
- Recorded and tracked camper's dietary restrictions/allergies and ensures that the meals/snacks are distributed to them without medical assistance
- Prepared for all emergency procedures associated with the camp program, including dangerous weather, and EpiPens for specific campers to maintain camp safety

### Greenway-Chaplin | *Recreational Worker*

**September 2023 - Present**

- Increasing organization familiarity by hosting clubs such as: sports club, cooking club, junior basketball and junior soccer for individuals to gain interest in hobbies, with average member counts of ~4 - 8 members
- Record member's attendance and ensure safety and security by establishing connecting with parents and guardians to clarify their transportation, and preparing for medical emergencies by administering First Aid

## EDUCATION

### Galt Collegiate Institute | *OSSD*

**Expected 2025**

- Cumulative Unweighted **GPA: 4.0 | ~99% Average**
- Founder and President of Coding Club
- Founder and President of Mathematics Club

## VOLUNTEER EXPERIENCE

### Avenue Road Public School | *Math Tutor*

**January 2024 - June 2024**

- Collaborate with teachers within the school to aid students in mathematics, increasing comprehension of information and increased test grades
- Assess student's math skills, and develop plans with teachers in goal of providing real-world applications of concepts with use of word-problems, analogies, and/or puzzles
- Influence strong academic performers to gain interest in mathematics by teaching mathematical reasoning and formulas outside of their set curriculum.

- Worked with 5 Volunteers to host a Bake Sale and Family Day event in the neighbourhood, hence increase in charity reputation
- Organized and collaboratively managed budgets of events running to ensure low costs and margin of profit is made on products
- Aid in filing permits required to host program in desired area, increasing organization and efficiency of event planning

- Aiding Camp Leaders by enforcing behavioural expectations of campers to reduce risk of injury and maintain moral standards
- Collaboratively exceeded to ensure work-place cleanliness and organization requirements up to expectations
- Boosted independence and abilities of campers by helping them hone skills in their desired activities
